Re: *Application by Southwestern Bell for Provision of In-Region,
InterLATA Services in Missouri, CC Docket No. 01-88*

Dear Ms. Salas:

On behalf of SBC Communications Inc. ("SBC"), I am attaching corrected pages from the DOJ Performance Measurements Tracking Report (February 2001), which was submitted as Attachment B to the Affidavit of William R. Dysart (App. A, Tab 18) (and portions of which were also included as Attachment B to the Affidavit of Elizabeth A. Ham (App. A, Tab 12)). On these specific pages in the original filing, some line graphs on the right side of the page did not correspond to the information contained in the charts directly opposite on the left side of the page. Although the information in the charts was correct, the corresponding graph, on occasion, reflected information contained in a chart elsewhere on the page. In order to avoid any confusion, SBC is attaching corrected versions of those pages on which the misplaced graphs appeared.

Pursuant to the Commission's rules governing ex parte communications, I am enclosing two copies of this letter and the attachments. Please file stamp and return the additional copy. Thank you for your assistance in this matter.

Sincerely,

Geoffrey M. Klineberg
